NOTES.

NOTE 1. This report must be made to the County Superintendent on or before the first day of May, 1896, and a duplicate copy should be retained by the Township Trustee. § 4475, School Law of 1895.

NOTE 2. The Trustee must not include in this list of enumeration the names of persons transferred *from* his township, town or city; but must include the names of persons transferred *to* his township, town or city. § 4472, School Law of 1895.

NOTE 3. Each Trustee must make a separate list of persons transferred to his township, town or city. § 4473, School Law of 1895. This list should be given on page 35 of this report.

NOTE 4. The law requires the enumeration to be taken between the 10th day of April and the 30th day of same month each year.

NOTE 5. After recording the names and enumeration of white persons, begin the list of colored persons on a separate page, writing at the head of the column, COLORED PERSONS. § 4472, School Law of 1895.

NOTE 7. **Who included in the enumeration.**

(b) He shall not include in such list any persons residing temporarily in his township, town or city for the purpose of attending school, or who are members of a family staying temporarily in his township, town or city, but whose actual residence is elsewhere.

(c) He shall enumerate no one who is not reported to him personally, and properly certified to as herein provided, except in cases of minors who are dependent upon no one, and not inmates of any family who may be reported as herein provided for.

NOTE 9. **Attachments to school districts in townships.**

(a) Only those persons who have children to be enumerated can be attached to a school district. Read carefully § 4472.

NOTE 10. **Transfers.**

(a) Transfers can only be made between the 10th day of April and the 30th day of same month. § 4473.

(b) Transfers can be granted only when it is shown that the persons so transferred can be better accommodated. § 4473, Note 1.

(c) A person desiring to be transferred must apply for such transfer to the Trustee of his own school corporation.

(d) When a transfer has been applied for, it is the duty of the Trustee to hear the case, and then to make a record of his action in the case in his record book.

(e) A transfer to be legal must be a matter of record. The School Trustee should make a record of his decision in reference to transfer in his record book, whether the decision is favorable or adverse to the applicant. The following would be a proper form of record:

Comes now [*name*], of District No. —, in —— Township, —— County, Indiana, and asks to be transferred to —— Township (Town or City), —— County, Indiana, for the following reasons: [Here insert reason.]

It is my opinion, after hearing the case, that [*name*] can be better accommodated by the change, and I therefore transfer h—.

Said [*name*] resides in T——, R——, and is the [*parent or guardian*] of — males and — females of school age.

Given this —— day of —— 1896.

Transfer No. ——. Signed, ...

School Trustee.

In case the transfer is granted, the Trustee granting it should make a certificate of his action in the case, and transmit it to the Trustee of the school corporation to which the transfer is made. The Trustee receiving this certificate should promptly file it and make a record of the facts, that he may know who are legally entitled to school privileges within his school corporation. In case the Trustee refuses to grant the transfer, that fact should be made a matter of record.

(f) The date when each transfer was made should be stated in this report, on page 35.

(g) The names of all persons who are legally transferred to the school corporation should appear in the list of transferred persons on page 35 of this report, whether the transfer was made in 1896, or in previous years.

(h) In case the Trustee does not know the date at which a patron was transferred to his township, he can obtain it by applying to the Trustee of the corporation from which he was transferred. In case no record is found, and the patron still desires to be transferred, it is best that the transfer should be made in 1896, and a record made of the fact.

☞ Trustees are requested to pay particular attention to making a complete record of transfers, as County Auditors are not expected to notice transfers unless made legally and in exact accordance with the law.

DAVID M. GEETING,
Superintendent of Public Instruction.

New School Enumeration Law of 1895.

Sec. 4472. School Law, July 10, 1895. Trustee to take—His duties—Who enumerated. The School Trustees of the several townships, towns and cities, shall take or cause to be taken, between the tenth day of April and the thirtieth day of the same month, each year, an enumeration of all unmarried persons between the ages of six and twenty-one years resident within the respective townships, towns or cities.

Each person required or employed to take such enumeration shall take an oath or affirmation to take the same accurately and truly to the best of his skill and ability. Such oath or affirmation shall be made a matter of record and kept on file in the office of the School Trustee.

In making the said enumeration, the Trustee, or person so employed, shall distinguish between the white and colored children, enumerating them in separate lists, and shall list the names of parents, guardians, heads of families, or persons having charge of such child or children, male or female, shall list the full name, and give the sex and age of each child so enumerated, shall secure the signature of either parent, guardian, head of family, or person having charge of such child or children, certifying to the correctness of the same, or if this is impossible, shall secure the signature of some responsible person who can certify to the correctness of said list; and he shall give the number of the school district to which such parent, guardian, head of family or person having charge of such child or children, is attached for school purposes, and the number and initials which designate the congressional township in which such parent, guardian, head of family or person having charge of such child or children resides. In cities the said enumerator shall give, in addition to the above enumerated items, the street and number of the residence of such person. He shall include in such list all unmarried persons between the ages of six and twenty-one years, whose parents, guardians, heads of families or persons having charge of such child or children, shall have been transferred to his township, town or city for school purposes; and he shall exclude from such list all persons whose parents, guardians, heads of families or persons having charge of such child or children shall have been transferred from his township, town or city for school purposes. He shall not include in such list any persons residing temporarily in his township, town or city for the purpose of attending school, or who are members of a family staying temporarily in his township, town or city, but whose actual residence is elsewhere. He shall include in his list such unmarried persons between six and twenty-one years of age as are dependent upon themselves and not under charge of parents, guardian or heads of families, and shall so designate such persons in a separate list, giving in cities the street and number of the residence of such persons.
